Principal’s Message

From the Principal’s Desk

It is with pleasure that I commence Term 4 as Principal of Jindabyne Central School. After Relieving as Principal since Term 3, 2013 it is with a sense of accomplishment that I commence my Principalship. I look forward to continuing the work and progress we have made to date.

Year 12 Formal

I would like to thank all who attended our Year 12 Formal assembly at the end of Term 3. What a wonderful celebration and acknowledgement of a wonderful group of students. Congratulations on your successes and as you commence the HSC this week, remember Success is not accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing.

Farewell

Sharon Dawson, our Communications Officer is heading overseas with her family and I would like to thank her for the brilliant work Sharon has been doing with our website and newsletter in addition to ensuring that we feature regularly in the local paper. The position has been advertised and we look forward to having someone take on the roles and responsibilities associated with this position.

Concert Week

It’s concert week at Jindabyne Central School and I cannot wait to see the K-6 items. I know each class has been rehearsing and look forward to the exhibition of Creative Arts as I know it will be a huge success.

Self Select Class for Year 6

Self Select for Year 6 into Year 7. During Term 3 all Year 6 students received information concerning the Self Select Class for 2016. The Self Select class is for students who have a passion for learning. The pace and methods of teaching in these classes enables students to be exposed to a broader educational experience where they are challenged to meet and maintain above average expectations. If you did not receive the information or have forgotten to complete the forms and bring them in there is still time.

Staff Changes

There are a number of changes to staffing at the present time due to staff leave for various reasons. Victoria Incanti is replacing Steve McKellar, Judith Pidcock is replacing Hannah Moloney, Yvonne Lew is replacing Linda Millington and I will be taking the Year 12 Food Technology class for Term 4. Etna Brave is replacing Paula Stuart in English. At all times we endeavour to provide consistency of teaching to all classes. Often there are extenuating circumstances involved in staff leave and we are very fortunate to have a pool of talented casual and temporary staff available to us. If you have any concerns please do not hesitate to contact the relevant Head Teacher, Assistant Principal, Deputy Principal or myself.

P&C Meeting

P&C- we look forward to any new member that would like to join the P&C. The next meeting is Wednesday 28 October at 7pm.
Compassion, hard work, determination and perseverance are some of the traits for which Jindabyne Central School’s Year 12 Class of 2015 will be remembered.

All 24 Year 12 students were farewelled from JCS at a special assembly on Friday — their last day at the school where many had started in kindergarten 13 years ago.

Incoming 2016 JCS captain Rachel Hukins admitted she felt a little scared trying to fill the shoes the outgoing Year 12s had left behind.

“These shoes are going to be hard to fill because you have most certainly raised the bar, showing us that it is possible to achieve greatness in academic, cultural and sporting fields through sheer hard work, determination and perseverance,” Rachel said.

She went on say Year 12 had reminded the rest of the school about the importance of being compassionate towards peers, being quick to surround friends when they fell and working together to unite.

“You have stepped out and stepped up, facing and overcoming challenges, making friends, facing enemies, celebrating success and understanding failures,” Rachel said.

JCS’s Year 12 Class of 2015 was given some advice from Principal Debbie-Lee Hughes — “Go out and be willing to make mistakes”.

Ms Hughes said good judgment comes from experience and experience from bad judgment, so it was important to make mistakes along the way.

She urged her students to do what they do for no other reason than because they love it and believe it is important.

“Resist the easy comforts of complacency, the paralysis of instant gratification. Be worthy of your advantages and live life to the fullest,” Ms Hughes said.

“The fulfilling life, the distinctive life, is an achievement - not something that will fall into your lap because you are a nice person.”

Ms Hughes asked her students to decide in their hearts what excited and challenged them and asked them to move their life in that direction.

“You may not be exactly at where you thought you’d be but you will be doing what you believe in,” she said.

“Don’t let life randomly kick you into an adult you don’t want to become.”

Ms Hughes urged the 25 graduating Year 12 students to make their lives extraordinary.

“You are dealt the cards you are dealt - life consists not of holding good cards, but having the ability to play the ones you do have, well,” she said.

Year 12 captains and vice captains Michaela Molloy, Brian Hukins, Zoe Bradbury and Daniel Truscott, along with Student Representative Council leader Max Howitt, gave a joint farewell speech — reminiscing about their past 13 years together at school.
Daniel said he truly had experienced the time of his life and had been given the opportunity to achieve goals. “These achievements really mean a lot to me,” he said. “It’s part of growing up and becoming a part of society. JCS has truly prepared me to be in the best position.”

Michaela said it was scary to think that when school started back next term, she and her friends would not have to start the day by putting on their school uniform and heading to JCS — something they had done for 13 years.

JCS secondary students along with staff, parents, friends, former teachers, sponsors and special guests formed a guard of honour for the Class of 2015 as they left their final presentation.

The ceremony was also a chance to announce next year’s JCS captains, with Rachel Hukins following in the footsteps of her two brothers John (2013) and Brian (2015) to be announced school captain along with Lachlan Wallis while Charlotte Murphy and Connor Fricke are JCS’s 2016 vice captains. Caroline Greene and Bronwyn Brandon are the SRC leaders for 2016.

Primary School News

The World's Biggest Classroom Exhibition

Jindabyne Central School has once again been asked to exhibit billboards featuring our special achievements. These billboards are currently on display at Olympic Park in Sydney.

The World's Biggest Classroom promotes the unique outcomes our Public schools and their local communities have achieved. Each year the World's Biggest Classroom also links with existing Departmental programs to promote the work of NSW public schools and students.

German Studies

Several Jindabyne Central School Primary students have had success in a German film competition and have been shortlisted with their film “Freizeit weltweit” (Yr. 3-6) for the Goethe-Institut School Film Festival 2015.

This will be shown along with other films from N.S.W. on Thursday, 22 October at 12:00–2:45 pm at the Chauvel Cinema, Cnr Oxford St & Oatley Rd (Paddington Town Hall), Paddington NSW 2021.

Absence Notes

A reminder to please send a note to school with your child the day after they are absent. On average, about 20 students each week fail to return to school with an absence note. It is a legal requirement for parents to contact the school if their child is absent. By not doing so, the school must contact parents which takes time and resources.

Please be aware that there are students in our school with allergies to nuts. We ask that you give consideration to voluntarily agreeing not to send nut products, in particular peanuts and peanut butter, to school.
Dear Parents, Staff and Students,

Welcome back to Term 4, which is traditionally a big term involving many end-of-year assessment tasks across all year groups, as staff finalise grades for the upcoming Yearly Reporting period. We have stressed with the students the need to stay on top of their work, to organise their time appropriately through continued use of their school diary, to strive to attend school (as required) for 100% of the time, and to treat their classroom colleagues and teaching staff with mutual respect at all times.

Term Four Assessment Schedules for Years 7 to 12.

Parents will find the Term 4 Assessment Schedule for all Year 7 to 12 students published in this newsletter. All students were issued with their own copy last week, and they are required to highlight their upcoming Assessments on these assessment sheets, and write those into their diaries.

Year 12 HSC Exams Get Underway.

Year 12 commenced their HSC Exams last Monday 12th October at the school, starting with English. The exams conclude in 3 weeks’ time, on Wednesday 4th November. The Year 12 Formal Farewell Dinner will be held at the Lake Crackenback resort on the evening of Thursday 5th November.

Scripture and DEAR (Drop Everything And Read) re-commence.

During Term 3, due to the adjusted school week that accommodates the Friday Snowsports Program, we do not run our Scripture and DEAR programs. Both of these programs have now re-commenced. Students have been reminded that Scripture runs from 2.55 to 3.20pm on Thursday afternoon, with the School Chaplain – Luke Spencer, conducting that class. Students who do not attend scripture are supervised in the school gym, H-Block, and the Library, and are able to read or go on with other school work. With DEAR, students have again been reminded to bring in their book of choice to read for 15 minutes per day every day after lunch, on Mondays / Tuesdays / and Wednesdays. Students are supervised in small groups by staff members during this silent reading time.

Uniform Checks.

Many thanks to parents for your continued support of the School’s uniform policy. We have reminded students of our expectations, and the need to bring a note in from home if their school uniform is incomplete on any given day. That note is brought directly to the Deputy Principal, who validates the note and reason, which the student carries with them for the remainder of the day.

Year 7 Immunisation Final Day.

Year 7 students will undergo their final immunisation day next Thursday 22nd October. All students are requested to be at school on this day.

Congratulations to JCS’s 2016 school leaders.

(L-R) Incoming School Captain Lachlan Wallis, SRC representative Bronwyn Brandon, School Captain Rachel Hukins,
SRC representative Caroline Greene, Vice captain Connor Fricke and Vice captain Charlotte Murphy.

Steve Cooper – Deputy Principal Secondary.
History

It was exciting to see students so engaged with the topic of “Popular Culture since WWII to the Present” throughout Term 3. The student presentations at the end of the term were excellent. Everyone enjoyed hearing personal anecdotes, seeing photos of various fashions and listening to popular music through the decades. The stand out presentations were the ones that added a personal touch, making it unique. We hope that parents and friends who were interviewed for this presentation enjoyed being a part of the process.

The topic for Term 4 is “The Holocaust”. This is a very confronting topic and we will be sensitive in our approach. If you have any concerns about your child’s response to the learning activities for this topic please do not hesitate to be in touch with us.

Snow Skills day

On the last Monday of Term 3, year 11PDHP students attended a Snow skills Day as part of their Outdoor Education Unit. The class strapped into snowshoes and headed out from Perisher on a beautiful sunny day towards Porcupine Rocks. It was the first time the majority of the students had ever attempted snowshoeing and what better place to try then our own backyard.

After our rest stop at Porcupine Rocks, we then headed for a large snowdrift where the students were briefed on building emergency snow shelters and snow caves. The time was then spent building a few different caves with some interesting designs.

It was another successful excursion into our local National Park and the students would like to thank ALI for supplying the equipment and running the day for them.

South Coast Music Camp

In week 10 of Term 3, Cade Lette, James Hines and Hamish Greenwood travelled to Stanwell Tops to attend the South Coast Music Camp. And here is a brief recount about their experiences.

“On Monday we arrived and were shown to our rooms then put in our ensemble groups. Hamish & I were in the Stage Band and James was in the String Ensemble.

Each day, singing rehearsal was followed by morning tea, then Ensemble Practice for 2 hours then we had workshop practice – your choice of either - Jazz, Rock, Musical Theatre, Sound & Audio Tech or Dance. Hamish & Cade were in the Stage Band and James went in the Rock Band on piano and hid behind the music stand the whole time. This was our routine from Mon – Thurs and on the Thursday evening we had a big concert where all the ensembles and workshops performed.

It was a fantastic camp! We played music every day for a couple of hours AND the food was fantastic too. “

Jindy Idol 2015

Congratulations to all the JCS students who were involved in Jindy Idol this year.

JCS was well represented by Kesha & Tulli Oayda, Maddie & Kayla Gay, James Hines, Haylee Laidely and Ruby Philpott.

“It was good for everyone to have a turn in the spotlight. It was a great event to encourage young musicians.” said Haylee Laidely.

Christmas Dinner Dance

Presented by the Jindabyne Central School P&C

Saturday 21 November 2015

Jindabyne Central School P&C would like to invite you and your business to be a part of our next fundraiser which is happening on the 21st November.

We are hosting a Christmas Dinner Dance as a celebration for the year we’ve had and a fun way to create some community engagement, all whilst raising money to assist the school.

The Jindabyne Central School P & C play a pivotal role in providing facilities and equipment for the school and promoting recreation and welfare of the students at the school. They are also responsible for the ongoing viability and operation of the canteen and uniform shop. They provide a valuable link between parents, teachers and citizens.

Funds raised in recent years have contributed to: the purchase of school lockers, the purchase of book prizes for students, provided sponsorship to students who are excelling in their sporting, academic or musical pursuits, subsidised the cost of travel for excursions, which ensures affordability for all children to participate in the educational learning opportunities available. Many of these costs are ongoing, and as such we are continually raising funds to continue to be able to provide this level of support. And plus some.

How can you help? We will be running a couple of key fundraising activities on the night and are seeking donations of products and/or gift vouchers that can be used as prizes.

If you are in a position to donate something we can include in our prizes, please email: pandcjindabyne@gmail.com We look forward to hearing from you!

Sport and Recreation’s
Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation’s Swim and Survive classes for preschoolers and school aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are $69 for school-aged children and $49 for preschoolers (prices exclude pool entry fee).

Participation in a Preschool Program is especially important the year before a child starts school.

Snowy Mountains Care and Early Learning Centre has some permanent positions available in the Preschool Room for children aged 4 to 5 years.

Please phone: 64562569 or email: admin@smcelc.com.au

The Preschool Program is based on the National Quality Framework - The Early Years Learning Framework and is delivered by our teachers and educators.

Enrolments for 2016 will begin soon.

Nutrition Snippet

The simplest way

...to pack the five food groups!

Follow our easy guide to pack the healthiest lunch box that features the five food groups – and don’t forget a bottle of water!

Fruit: It’s high in fibre, vitamins and minerals. Serve fruit in fun ways: try fruit kebabs or fruit in small containers, and remember, kids are more likely to eat it if it’s cut up into small pieces.

Veggies: Pack carrot and celery sticks with hummus or salsa, or even a veggie slice.

Breads + cereals: Try wholemeal bread, wraps and pita, or rice and pasta leftovers.

Reduced-fat dairy: A slice of cheese, yoghurts and custards are all great lunch box items.

Lean protein: cooked chicken, tuna, egg, roast meat, or legumes such as red kidney beans and chickpeas.
