Principal’s Message

World Teachers’ Day

Friday 30 October

I was a teenager when I chose teaching as my career of choice. I had many wonderful role models and teachers were held in high esteem by my family and community for their knowledge and skills.

I am very proud of my profession and the work that my colleagues do at Jindabyne Central School each and every day to enrich the lives of the students in our care.

Every day teachers make a difference as they inspire and engage young people to learn and succeed. Often it is years later that a teacher realises the impact that she or he had on a student, or an entire class.

World Teachers’ Day is an important day internationally to acknowledge the skills and efforts of teachers in an increasingly complex society.

This year is the 21st anniversary of World Teachers’ Day, inaugurated on 5 October, 1994, by the United Nations Education, Scientific and Cultural Organisation (UNESCO) to commemorate the adoption of the UNESCO and International Labour Organisation recommendation concerning the status of teachers.

There are many challenges and rewards in engaging and supporting students and teachers today require a combination of valued skills, including quality teaching, management, collaboration, insight, creativity and understanding.

I want to thank the staff here at JCS and pay tribute to all teachers in our profession, particularly those in Public Education— and the legions of staff supporting them in their work. I extend my respect and appreciation to you on World Teachers’ Day.

Adam Lambert- 2015 Recipient of The Pierre de Coubertin Award

"The most important thing in the Olympic Games is not to win but to take part, just as the most important thing in life is not the triumph but the struggle.”

BARON PIERRE DE COUBERTIN

This award recognises secondary school students who demonstrate values which are consistent with the Olympic Movement through participation in sporting activities.

Adam Lambert a graduating student of Year 12 in 2015 was this year’s recipient of The Pierre de Coubertin Award recognising his participation in the Snowboard Cross Discipline and his demonstration of the Olympic ideals of fair play and sportsmanship. Adam has participated actively in the school physical education program with a consistently positive attitude; and demonstrated the attributes consistent with the fundamental aims of the Olympic movement. Adam was aptly presented with his award by Manuela Berchtold, an Olympian and Hall of Fame Ex-Student of Jindabyne Central School.

More than 13,000 young Australians have received the Award since its inception in 1993 including 2012 London Olympic Silver Medallists Kim Crow (Rowing), Jessica Fox (Canoe/Kayak – Slalom) and Nina Curtis (Sailing), London 2012 Bronze Medallist Kaarlie McCulloch (Cycling - Track) and Youth Olympians Luke Noblett (Hockey), Annalese Smith (Handball) and Clair Dennerley (Handball).
Planning for 2016

Jindabyne Central School is currently planning for the 2016 school year. A number of components of this planning are our transition programs which operate for the new Kindergarten students and our Year 6 to Year 7 Transition program.

Kindystart has commenced as always with a flourish. I am as always impressed with the professionalism of staff in ensuring this critical introduction to school is achieved with the minimum of fuss and success. Ms Charmaine Sweeney is the Year 7 Student Adviser for 2016 and our Transition program will

NSW Athletics

Well done to Fletcher, Thomas and Tori, at NSW Athletics, who all ran in the 100m for their age groups, unfortunately none made the semi’s tomorrow but they all did JCS very proud!

K-6 School Disco
We all Stand on Sacred Ground: 
Learn, Respect & Celebrate

Indigenous Education Program

Formal Assembly – Tuesday 3 November 2015 – 9.30am

The NAIDOC theme for 2015 is We all Stand on Sacred Ground: Learning, Respect and Celebrate. It highlights the strong spiritual and cultural connection between people, the land and sea, and honours those who work to preserve sacred and significant sites and stories. At our special assembly we will provide students at Jindabyne Central School with a memorable and creative experience learning about cultures and shared stories. We will generate a positive conversation about culture and will build an atmosphere of respect for First Peoples, and all people, here in the Snowy Mountains.

The morning will include a special performance by the ‘Black Ducks’. This group comprises of students from Eden Marine Technology High with a presentation titled, “People of the Mountains and the Sea”. We think this will be a special occasion, where youth can learn from youth. Students will also hear from guest speakers and watch films from the National Film and Sound Archives, Black Screen project, which promotes cultural awareness and Indigenous screen culture, providing entertainment to communities and brings them together in discussion.

Snowy River Shire

Spirit of the Snowy Mountains
Snowy Mountains Readers and Writers Festival Incorporated has recently organised a children's writing competition with the theme of "Up Hill and Down". Original works, either non-fiction or fiction, were submitted by school students in three age groups: Years 3-6, Years 7-9 and Years 10-12.

**Year 3-6 Finalist**
Alex Williamson - Up Hill and Down

**Years 7-9**
Winner: *Up Hill and Down* by Caitlin Brandon

Runners Up: *Up Hill and Down* - Lucie Kuhn, Harrison Harvey, Zara Gardiner, *The Trifecta* - Georgia Heeley

**Year 10-12**
Winner: *Dear Journal* - Lucinda Clancy

FOUR THINGS YOU MUST KNOW ABOUT GONSKI SCHOOLS FUNDING

WHAT GONSKI MEANS

Australia remains a high-achieving nation in education but our overall performance has slipped in the last decade – at the same time as schools funding has become less equitable.

The Gonski Review found that Australia is investing too little in schools, and that the way we distribute the money is neither fair nor effective.

Students in disadvantaged areas are up to three years behind those of the same age who live in wealthy areas. One in five 15-year-old students does not have basic reading skills – the kind they will need to apply for and keep a job.

The Gonski funding arrangements are designed to ensure that the right resources are in every school to give children the individual attention and support they need to excel.

The six-year Gonski agreements the Federal Government signed with five States and Territories began in 2014 and were designed to bring schools up to an appropriate level of resources in six years.

GONSKI IS GETTING RESULTS

Where Gonski funding is being delivered it is having a significant impact on what students achieve.

Schools are able to provide:

- Smaller class sizes
- Extra literacy and numeracy programs
- Speech therapists and psychologists
- More one-on-one support for struggling kids
- Better training for teachers

THE THREAT TO GONSKI

The Federal Government has refused to honour the signed Gonski agreements or even require State and Territory Governments to spend the Gonski funding on schools.

Its refusal to pay its share of the last two years of Gonski funding will leave schools across the country without the resources they need to educate every child to a high level.

This decision will cut $2.8 billion from public schools alone – enough funding to pay for more than 20,000 teachers.

WITHOUT GONSKI SCHOOLS AND STUDENTS WILL BE LEFT BEHIND

Gonski is all about bringing every school up to the level where it has the resources to properly educate every child.

Without the full funding, children in schools will continue to miss out on the support and attention they need to reach their potential.

The worst-affected will be the ones who stand to gain the most from Gonski: children with disability, those from disadvantaged and non-English speaking backgrounds and Aboriginal students.

We cannot as a nation accept a situation where some students are educated in schools which are properly resourced while others are held back by a lack of resources.

All governments and all political parties need to support this once-in-a-generation opportunity to work together and properly resource our schools.

Transition to School at Jindabyne Central School

Thursday the 22nd October was the first day of Kindystart at Jindabyne Central School (JCS) and 60 four and five year olds had their first taste at what life will be like next year when they start school.

Children and parents were both excited and teary as they were dropped off at the kindergarten classrooms. Experienced Kindergarten teachers explored activities that would introduce children to the daily routine and familiarise them with the school environment.

Parents were provided with a morning tea and an information session about JCS and the teaching team. Heidi Shvetsoff, Early Stage One Co-ordinator, gave an insight as to what to expect in their child’s first year at school followed by a fashion parade of uniforms, modelled by current kindergarten students.

Deputy Principal, Sheena Perry, welcomed parents and explained the benefits of a collaborative partnership between school, home and community.

The Kindystart transition to school program will run each Thursday until the 19th November. All students planning to start Kindergarten at JCS in 2016, are encouraged to attend.

Jindabyne Central Grandparents Day

On Friday the 16th October over 130 very special visitors descended on Jindabyne Central School as the school celebrated Grandparents Day. Many of them had travelled great distances to share this special day and watch their loved ones participate in the School Concert held earlier in the week.

A special assembly was presented by the Year 3 / 4 class led by Mrs Kowalewski where students expressed the reasons why they loved their grandparents and sang them a song which brought a tear to many an eye! Deputy Principal Sheena Perry spoke of the importance of building community relationships and the very special role that grandparents play in their family’s lives.

After the assembly all visitors made their way to the classrooms where students shared their learning through art activities, reading stories and sharing of bookwork. Of course lots of cuddles and laughs were had and moments captured with photos to become treasured memories in years to come.

To culminate the morning the VIP guests had beverages and a delicious morning tea whilst being served by senior students. This event continues to grow each year to the delight of all Jindabyne Central School staff and student.

Please be aware that there are students in our school with allergies to nuts. We ask that you give consideration to voluntarily agreeing not to send nut products, in particular peanuts and peanut butter, to school.

JCS K-6 Concert—“Down Under Downs”

JCS K-6 held their annual concert over two days, October 14 and 15 this term. All students had the opportunity to be involved in this amazing showcase of the school’s creativity. Work on the performance started in Term 2 with the writing of the script and each class choosing a country to visit. Teachers and students spent most of term 3 Creative Arts Lessons working on their item and bringing it to the standard we saw.

Stage 3 students who wanted to play the part of our family had to go through an audition in the middle of the term before being chosen as the actors that tied the whole performance together. There were many lunch time rehearsals that enabled them to polish their performance and own the roles they played.

Classes ‘visited’ many countries around the world including India, Ireland, Japan, Brazil, America, Greece, New Zealand, Mexico, Sweden, Africa, Jamaica and a trip into space.

Year 3 wowed the audience with their Bollywood dance and costumes, while 5D showed their amazing basketball skills in America. 4M and 4/5M were great as Maoris performing the Hakka and using traditional pois. Haylee Laidely in Year 11, made a special appearance with the Von Trapp children also known as 3/4K. 1S drew Louise the Elephant out of hiding, danced with monkeys and dined with cannibals in Africa. KT performed an Irish dance, while KS were stunning samurais and Japanese dancing girls. A quick trip to Brazil and the soccer by 1E and 1/2K who performed their own version of the samba. SC travelled to Greece and performed a traditional Greek dance that took us back to the 60's. A quick trip to Mexico to watch the Mexican Hat Dance and Polka performed by Year 2 students was very colourful and lively. Year 6 took us on a journey to Jamaica and told us about the bob sled team. A plane crash and a visit to space where the audience were entertained by Jedid and Princesses from KN and K/1B was the last stopover for the Down family. A quick fix of the plane and the family were back on Australian soil, where all students and teachers entered the hall for the finale ‘I Am, You Are, We Are Australian’. Many in the audience agreed that this was the highlight of the performance and was a fantastic way to end an exciting display of creativity and talent.
2015 Caltex Best All rounder Award

Jindabyne Central School graduate named one of the nation’s best

Jindabyne Central School announced Year 12 student Michaela Molloy as the school’s recipient of the 2015 Caltex Best All Rounder Award, one of Australia’s most prestigious secondary school prizes.

Michaela joins a select group of secondary students around Australia who have received a Caltex Best All Rounder Award for excellence in their studies, on the sports field and for their work in the community.

Michaela was presented the award for achievement in: academic, sporting, cultural, welfare and leadership involvement.

Jindabyne Central School principal Ms Hughes said Michaela was a worthy recipient of the nationally-recognised award.

“The award recognises Michaela’s contribution across a number of disciplines – she has been a wonderful asset to our school and the wider community, setting a terrific example for others to follow,” Ms Hughes said.

Caltex Australia Managing Director and Chief Executive Officer Julian Segal said the local fuel supplier was proud to have recognised generations of students like Michaela since the awards began in 1985.

“I congratulate Michaela Molloy and wish her well as she moves into the next phase of her life,” Mr Segal said.

“Michaela joins an exclusive list of Caltex Best All Rounders to have been recognised over the past three decades.”

The Caltex Best All Rounder Award has been presented to thousands of final-year students around the country across its 30-year history.

Caltex seeks to acknowledge the all-round contribution that each student makes to their schools and communities, their leadership abilities and the good example they set for others.

Past winners include children’s show actor Emma Watkins (the current ‘Yellow Wiggle’) from The McDonald College in Sydney, and frisbee world-champion Adrian Gepp (PhD) from Faith Lutheran College in Tanunda, South Australia.

For further information, please visit www.caltexbestallrounder.com.au

Defence Force Work Experience.

Ethan Inches in Year 9 had the opportunity to do work experience through the Defence Force work experience program in Queensland. Here is his report.

On Monday the 19th of October, I was lucky enough to begin a three day work experience program with the Royal Australia Air Force at their base in Amberley, Queensland. I was one of 22 that were chosen, and the only one from interstate.

During these three days, we had the opportunity to witness many aspects of life in the Air Force. We got to visit the Military Working puppies and adults, visit the base Fire Station and Air Traffic Control Tower, and excitingly look at the C-17 Globemaster aircraft, KC-30 Air to Air refuelling aircraft and the F/A-18F Super Hornets.

I was lucky enough to be one of only 4 chosen to sit inside the fire trucks and fire the huge front facing water canon, capable of emptying the entire water tank in 90 seconds.
On Friday 9th October, our female students from Year 7 participated in the first Junior Girls Mountain Bike Program, held at Bungarra Alpine Centre. This half day program was run by 4 local mountain biking experts; Claire McDonnell, Vanessa Knee, Sarah James and Jo Larkin. Year 7 girls from both JCS and SMGS were invited to attend the program which was a joint initiative of the Jindabyne Cycling Club and the Jindabyne Riders, using funds generated by last year’s Dirt Maiden event. The organisers of the Dirt Maidens Women’s Mountain Bike Event wanted their profits to go directly into creating opportunities for young local girls to enjoy Mountain Biking.

The girls were supplied with a bike, helmet, knee and elbow pads and were given a quick run-down on bike safety, breaking and using gears before they were on their way. First they practised skills like the Downhill Position in wide, clear terrain before heading to the trails. On the Bungarra trails they negotiated rock gardens, loose gravel and undulating single track. The girls thought that it was challenging, tiring and fun!

Next the girls took on the Skills Course and the Flow Track. They conquered see saws, bridges and boulders. They battled rollers and burms, improving their skills with every lap.

Mountain Bike Instructor Claire explained that she was “absolutely blown away by our local junior girls! They have a great foundation of mountain biking skills that we want to further develop – they are solid little riders!”

Mountain Bike Instructor Vanessa (Vee) said that “It was a pleasure to ride with a superb bunch of girls who showed enthusiasm, skill and great teamwork! They are outstanding member of this terrific community and we were impressed with your riding skills but more importantly your great attitudes!”

The Year 7 Girls would like to thank everyone involved in organising this wonderful opportunity for them and hope to continue to work on their new mountain biking skills.

Tim Draxl Foundation

Students from the Jindabyne Community were afforded another great opportunity by the Tim Draxl Foundation last Saturday 24th October right here at Jindabyne Central School.

Theatre Director and Triple Threat (Singer/dancer/actor) Shaun Rennie provided an amazing full day workshop working on Staging, stagecraft, performance, song, stage presence. The afternoon consisted of each student delivering a prepared musical theatre song and workshopping it. Students blossomed under Mr Rennies' careful guidance and delivered remarkable performances.

A highlight of the day was at the conclusion when the students deliver the song 'Seasons of Love' from the musical 'Rent' currently playing at the Hayes Theatre in Sydney and directed by Mr Rennie, in hauntingly beautiful manner accompanied by Australian Sign Language. This is one performance that really must be seen publically!!

Christmas Dinner Dance

Presented by the Jindabyne Central School P&C

Saturday 21 November 2015

Jindabyne Central School P&C would like to invite you and your business to be a part of our next fundraiser which is happening on the 21st November.

We are hosting a Christmas Dinner Dance as a celebration for the year we’ve had and a fun way to create some community engagement, all whilst raising money to assist the school.

The Jindabyne Central School P & C play a pivotal role in providing facilities and equipment for the school and promoting recreation and welfare of the students at the school. They are also responsible for the ongoing viability and operation of the canteen and uniform shop. They provide a valuable link between parents, teachers, and citizens.

Funds raised in recent years have contributed to: the purchase of school lockers, the purchase of book prizes for students, provided sponsorship to students who are excelling in their sporting, academic or musical pursuits, subsidised the cost of travel for excursions, which ensures affordability for all children to participate in the educational learning opportunities available. Many of these costs are ongoing, and as such we are continually raising funds to continue to be able to provide this level of support. And plus some.

How can you help? We will be running a couple of key fundraising activities on the night and are seeking donations of products and/or gift vouchers that can be used as prizes.

If you are in a position to donate something we can include in our prizes, please email: pandcjindabyne@gmail.com We look forward to hearing from you!

It’s that time of the year again, our Annual Book Fair!!

WHERE:             JINDABYNE SCHOOL LIBRARY
WHEN:             9TH NOVEMBER TO 11TH NOVEMBER
PARENT TIMES:      8.45AM – 9.10AM/ 3.00PM – 3.30PM
STUDENT TIMES:    Allocated class time.

Great time to buy your favourite books!

You can purchase books online via www.scholastic.com.au/payment and be sure to choose BOOK FAIRS PAYMENT (not Book Club). Please bring in proof of purchase receipt number to the Library to collect the book purchases. Alternatively you may pay by CASH at the Library when purchasing your books.

Christmas is coming fast and this is a great chance to buy books for children, friends and relatives.
Community Notices

Sport and Recreation’s Swim and Survive lessons
Australian summers usually involve plenty of fun in and around the water, but remember how important it is to make sure children stay safe.

Sport and Recreation’s Swim and Survive classes for preschoolers and school-aged children help youngsters learn important keys to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results and are great value. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are $69 for school-aged children and $49 for preschoolers (prices exclude pool entry fees).

For more information or to make a booking, visit sportandrecreation.nsw.gov.au/swimandsurvive or phone 131332

Snowy Mountains Care & Early Learning Centre
in good hands

Participation in a Preschool Program is especially important the year before a child starts school. Snowy Mountains Care and Early Learning Centre has some permanent positions available in the Preschool Room for children aged 4 to 5 years.

Please phone: 64562569 or email: admin@smcelc.com.au

The Preschool Program is based on the National Quality Framework - The Early Years Learning Framework and is delivered by our teachers and educators.

Enrolments for 2016 will begin soon.

The simplest way
...to pack the five food groups!

Follow our easy guide to pack the healthiest lunch box that features the five food groups – and don’t forget a bottle of water!

Fruit: It’s high in fibre, vitamins and minerals. Serve fruit in fun ways: try fruit kebabs or fruit in small containers, and remember kids are more likely to eat it if it’s cut up into small pieces.

Veggies: Pack carrot and celery sticks with hummus or salsa, or even a veggie slice

Breads + cereals: Try wholemeal bread, wraps and pita, or rice and pasta leftovers.

Reduced-fat dairy: A slice of cheese, yoghurts and custards are all great lunch box items.

Lean protein: cooked chicken, tuna, egg, roast meat or legumes such as red kidney beans and chickpeas.

**The National Gallery of Australia is coming to Dalgety!**

Please join Gallery staff for a fun and informative introduction to legendary Australian artist, Tom Roberts in Dalgety. This event will help launch the major exhibition of Tom Roberts works opening on the 4th December this year in Canberra. Come along to discover an exciting exhibition that will bring together over 100 of Roberts’ most famous paintings including, Shearing the Aces, dashed up and a dress away. Gallery staff look forward to meeting you and answering your questions.

**Sunday 8 November**

10.30am – Iona Gardens, Dalgety

Free entry, purchase your own coffee or brunch from the cafe.

This presentation is one of two regional events and is supported by South East Arts and Snowy River Shire Council. The paintings by Tom Roberts are some of the most recognizable and loved by Australians. His vision of life in Australia helped to define our visual culture. He was among the first to promote outdoor landscape painting and his impressionist landscapes set the tone for much that was to follow.

---

**Stepping Stones Triple P**

Does your child have a disability?

In this issue, most children have you been placing a lot of pressure on your child. Your child’s success depends on how you generate your own needs. When your child’s needs are not met, research has shown that putting the child to bed for a long, healthy sleep may be the right thing to do. Stepping Stones Triple P may be right for you.

As part of the Stepping Stones Triple P Project, Monaro Family Support Service & Namadgi Australia is running a series of seminars for parents of children with a disability aged 2 to 12 to attend the following five sessions:

- **Seminar 1:** Positive Parenting for Children with Disability
  - **Friday 7th November 2015, 11:00am-1:00pm**

- **Seminar 2:** Balancing Your Child’s Potential
  - **Friday 13th November 2015, 11:00am-1:00pm**

- **Seminar 3:** Helping Young Problem Behaviour into Positive Behaviour
  - **Friday 20th November 2015, 11:00am-1:00pm**

Where: Monaro Family Support Service, 1-5 St Pauls Street, Cooma

RSP: As these programs are being funded as part of a research project, please contact the reception team to register your interest.

Thank you to our Platinum Sponsors
Jindabyne Netball Summer Comp

Jindabyne Netball Association will again run its Tuesday night summer comp starting November 10th.

Registration day is Sunday October 25th at the Jindabyne Bowling Club from 3-6pm

Come down to the club on Sunday and have a sausage and a drink. Register a team or just as an individual and we will find you a team that best suits. Feel free to come down just to ask questions and see if netball is right for you.

The Tuesday night summer comp will run until early April 2016 with 6 week break during Christmas holidays.

Teams of 10-12 players will play in a round robin format over 2 to 3 grades, games are played at the Sport and Recreation netball courts on the Barry Way.

Two of the netball courts have undergone major renovations that should lead to some quality games throughout the season.

Summer Comp Information
Games – Tuesday nights 6:15pm or 7:30 60mins
Costs  – Senior (18+ age in 2016) $110 plus $20 umpire levy for those who do not wish to umpire
- Junior* (13-17 age in 2016) $90 plus $10 umpire levy for those who do not wish to umpire
*12 year olds may play in this comp if going into year 7 for 2016

We will runs a the following junior programs in Term 1 2016 (registration Feb 2016)
5pm -10 week Junior Comp for ages 8-12
4pm – Net Set Go 10 week skill development ages 4-7

Jindabyne netball is heading into its 26th season, and is looking forward to the Tuesday night catch ups of 100 plus players.

The Jindabyne Netball Association would also like to thank its new major sponsorship, The Jindabyne Bowling Club and look forward to working with the club in the coming seasons.

We would also like to recognise the other sponsors that help the association throughout the year Mitre 10 Jindabyne, Pam Climpson Physio, Jindabyne Butchery, Sundance Bakery, Snowy Mountains Physio, Jindabyne Physiotherapy and Sports Injuries Centre.
